

The **Lutheran Standard**®

ANNUAL INDEX

Volume 18 / 1978

ARRANGEMENT—

Author, subject, and title entries are arranged in one alphabet.

Articles listed under an author's name are entered in chronological rather than alphabetical order, as are entries for subjects. Each entry is identified by category such as Article, Newsfront, Let's Talk It Over, Mr. Editor, Dash of Pepper, etc., with the date of issue and the page number.

Obituaries are listed alphabetically throughout the index with the subtitle, Deaths in the ALC, and are combined into a separate list at the end of the index.

Bible references are listed in the order in which they appear in the Bible, with the date of issue and the page number.

CROSS REFERENCES—

"See" references are made from various forms of an entry to the chosen form, such as: BRIDSTON, KEITH R. SEE WORLD COUNCIL OF CHURCHES.

Suggestions for use of *The Lutheran Standard* in groups

Explore ways in which *The Lutheran Standard* might be used by groups in the congregation. Because of every-home coverage in many congregations, this publication offers many possibilities for group discussion as well as individual reading.

Congregational study groups might use an article or series of articles from *The Lutheran Standard*. Such groups include:

—Adult or youth study sessions (note "Look Ahead" listings in planning future meetings)

—Church councils or committees (pertinent articles for inspiration and insight)

—Youth (topics for discussion at meetings, retreats, or classes)

—New members (articles on Lutheran doctrine and worship practices such as "What Is a Lutheran?" Sept. 5, p. 3; or "Why a New Book Now?" May 2, p. 3)

—ALC Women (information about ALC mission and enrichment of discussion topics)

—Stewardship visitors (references in making calls)

—Family discussion (explore a specific article together; prepare for Sunday worship by discussing "It's Good News.")

SUGGESTION: Keep a complete file of the 1978 issues for handy reference. Articles of special interest often become of special value when a congregation undertakes a particular emphasis or concern, such as evangelical outreach, family life, or the "Worship" emphasis. Members of congregations also should be encouraged to keep a file of their copies for future reference.
